Re: Letter of Agreement regarding use of, the translation of, and the validation of the Developmental Coordination Disorder Questionnaire 2007 (DCDQ'07) by Špela Golubović Faculty of Medicine, Novi Sad, Serbia.

This letter of agreement is entered into on 25/07/2016. between Brenda N. Wilson and Špela Golubović, Faculty of Medicine, Novi Sad, Serbia.

The following terms are agreed to by both parties:

1. The principal copyright is held by the primary scientific developer, Brenda N. Wilson.
2. The DCDQ may only be used within the terms and conditions outlined in this agreement.
3. Špela Golubović, Faculty of Medicine shall not reproduce the Developmental Coordination Disorder Questionnaire (DCDQ) except for the limited purpose of generating sufficient copies to use in the translation and validation study.
4. Špela Golubović, Faculty of Medicine shall not remove any trademarks or copyright notices from the DCDQ. All copies of the DCDQ permitted to be made shall reproduce the trademarks, and copyright notices contained in the original copy.
5. Špela Golubović, Faculty of Medicine shall not distribute copies of the DCDQ to third parties by sale, rental, lease, lending or any other means.
6. Špela Golubović, Faculty of Medicine shall not abridge, modify, amend, or alter the DCDQ without prior approval from Brenda N. Wilson. You have permission to translate the DCDQ and agree to provide Brenda N. Wilson with copies of both the SERBIAN translation and the back translation (to English), before using the translated version in the validation study.
7. Following the translation and validation study, adequate reliability and validity of the SERBIAN Version of the DCDQ must be demonstrated by the acceptance of the results of the study in a peer-reviewed journal. Špela Golubović, Faculty of Medicine can then request that the Serbian Version of the DCDQ be posted on the DCDQ web site (www.DCDQ.ca).

Letter of Agreement regarding use of, the translation of, and the validation of the Developmental Coordination Disorder Questionnaire 2007 (DCDQ'07) by Špela Golubović, Faculty of Medicine, Novi Sad, Serbia

8. This agreement shall become effective on the date indicated on this letter and, unless terminated earlier, shall remain in full force and effect for two years. In the event the Study is not completed on or before the termination date of this agreement, this Agreement shall continue for a reasonable period of time thereafter as shall be required for Špela Golubović, Faculty of Medicine to complete the research.

9. In consideration of permission granted, Špela Golubović, Faculty of Medicine are requested to provide Brenda N. Wilson with an electronic copy of the raw DCDQ data, de-identified and including age and gender. Data will not be shared with others and will be used to further evaluate the validity of the DCDQ. Such request is conditional on any ethical requirement of the University of Calgary and the Faculty of Medicine, Novi Sad.

10. Where Brenda N. Wilson has been able to provide meaningful intellectual contributions to the research project, co-authorship on consequent publications and presentations should be considered. If the research project involves a considerable effort on her part, joint authorship should be considered. If there is a student working on a thesis or dissertation, it may be appropriate for Brenda N. Wilson to be a member of the student's committee.

11. This agreement may be amended only in writing, signed by all parties.
