

To the Editor of Vojnosanitetski pregled

Belgrade, April 22, 2013.

Dear Editor,

We are submitting the manuscript "Quantitative and qualitative gait assessments in Parkinson's disease patients" authored by Milica D. Djurić-Jovičić, Nenad S. Jovičić, Saša M. Radovanović, Nikola D. Kresojević, Vladimir S. Kostić and Mirjana B. Popović for publication in "Vojnosanitetski pregled", as full-length original article.

All technical instructions and requirements are fulfilled.
The authors declare no potential conflict of interest.

The material we are submitting has not been and will not be submitted for publication elsewhere.

Each of the authors has read and concurs with the content of the manuscript. All authors have made substantial contribution to the paper we are submitting.

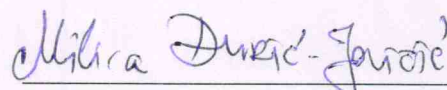

Milica Djurić-Jovičić and Nenad Jovičić participated in design of the study, data acquisition, development of the proposed method, processing the results, and writing the manuscript. Saša Radovanović and Nikola Kresojević participated in patients selection, testing, data acquisition and writing the manuscript. Professors Mirjana Popović and Vladimir Kostić participated in conception and design of the study, development of the proposed method, and writing and reviewing the manuscript.

Sincerely,

Milica Djurić-Jovičić
