Dear Editor,

Kindly find article entitled "MULTIDISCIPLINARY APPROACH TO NITRIC OXIDE SIGNALING: FOCUS ON GASTROINTESTINAL AND CENTRAL NERVOUS SYSTEM" by M. Stojanović, Lj. Šćepanović, D. Hrnčić, A. Rašić-Marković, D. Djuric and O. Stanojlović, which we are submitting with the hope that upon evaluation it might be found suitable for the publication in VOJNOSANITETSKI PREGLED. This manuscript represents an original work that was not published, nor being considered for publication, in whole or in part, in another journal. All co-authors are aware of and approve the manuscript's contents and order of authorship. On behalf of all authors, I confirm that no author has real or perceived conflict of interest. If there is anything else we should do regarding the above named manuscript, at your earliest convenience, with best regards I remain,

With best wishes and regards,

Yours sincerely,

Professor Olivera Stanojlović, M.D., Ph.D. A. Rašić Marković

M. Stojanović

D. Djuric

Lj. Šćepanović
