

Authorship contribution statement and disclosure conflict of interest :

All persons who meet authorship criteria are listed as authors, and all authors certify that they have participated sufficiently in the work to take public responsibility for the content, including participation in the concept, design, analysis, writing, or revision of the manuscript. Each author certifies that this material or similar material has not been and will not be submitted to or published in any other publication.

All authors contributed equally to this case report. All authors discussed the results and commented on the manuscript at all stages. Andrijana Kulić prepared the manuscript and Co-authors give final approval of the version to be submitted. The Authors declare no conflicts of interest.
